

DWSC CHANGES TO SUNDAY SAILING FORMAT - ITERATION 2

From Sunday 6th June 2010 the Sunday course will be changed again. The basis of this is that there will be two permanently laid triangles of three inflatable buoys – one set **BLUE** and the other set **ORANGE**.

The committee boat will define the course by

1. flying a **RED** flag to indicate PORT Rounding (counter-clockwise) or a **GREEN** flag to indicate STARBOARD Rounding (Clockwise)
2. flying an **ORANGE** or **BLUE** Triangular flag to indicate whether we are using the Orange or Blue Buoys.

Both flags will be flown one above the other at rear of the committee boat.

Start/Finish Reversed for Starboard Course

A typical Triangle/Sausage Course (e.g. Lasers, Flying Fifteens and Fast Handicap) will be Start, 1, 2, 3, 1, 3, 1, 2, 3, Finish. A typical Windward Leeward Course (e.g. Asymmetrics) will be Start, 1, 3, 1, 3, 1, 3, Finish.
