

JUNIOR YOUTH SQUAD 2006

Following an outstanding year in 2005, the Datchet Water Sailing club Junior Youth Squad arrives again this spring. The JYS offers first class sailing instruction in a safe environment for 8 to 16 year olds at a fully recognized RYA Training Centre – and all at excellent value!

In May, we will start our season on **Saturday afternoons**, teaching RYA Stage 1 through to the new Stage 4. Our large and varied fleet of 24 training boats is largely based around Optimists and Toppers. We also have a club mango, a spice a flying fifteen and 2 Wayfarers available.

Training costs are very competitive, ranging from **£50 for a six week RYA Stage 1** through to £140 for the whole season for the more experienced using one of the club boats.

For those keen to progress into competition, we organize racing every fortnight with a keenly contested Spring, Summer and Autumn handicap series. As a **RYA Volvo Champion Club**, our goal is to encourage our more experienced sailors to participate in the RYA Zone Squad events throughout the season. Also through Volvo, we are entitled to two free coaching days per year from national coaches.

So what are you waiting for? Both existing club members and newcomers are very welcome, **but be quick, we are popular!**

Either give me a call on 07916 284530, or see Gabrielle in the office for an application form.

Hope to see you on the water soon!

Andy Haynes – JYS Coordinator

Note. For those who want to sail their own boats, we are often able to source good quality second hand boats!
