# Anyone for Wacky Races

The Council and Sailing Committee are both continually looking for ways to satisfy as much of the membership as possible – not just the stalwarts who turn out on a Sunday morning come rain or shine. We have

discussed why we think racing turn-out is important to the club and agree that, while there are many members who enjoy going out and sailing on their own and/ or training, it is racing that brings us together as a club because it gives us a common interest. That said, we are aware that there are many different types of races beyond those we currently running on Wednesdays and Sundays. We are already looking at setting up regular team racing and want to find out what ideas members have for a different format of racing (perhaps one Sunday a month) and are looking for the wackiest ideas out there. Please talk to or email Mervyn ([mervynwright@live.co.uk](mailto:mervynwright@live.co.uk)) or Nick ([nick.harris@usa.net](mailto:nick.harris@usa.net)) and come along to our Wacky Racing evening, starting at **8pm** on **Wednesday 25th April** (after the second fun Wednesday evening race).
