For scoring purposes the SCHRS values will be converted to PY numbers using the multiplier currently recommended on www.schrs.com.

16.9. The race committee may, in their absolute discretion:

- _ Vary any handicap rating;
- _ Allocate a rating to any class not listed in YR2 or SCHR system.

17.0 Safety regulations

- 17.1 All boats shall give way to patrol boats and race management craft at all times.
- 17.2 A boat shall not interfere with nor try to pass between a patrol boat and a boat that is capsized or otherwise needing assistance or persons in the water. Sailors racing and contravening this requirement may be disqualified without a hearing. This changes rule 63.1.
- 17.3 All competitors must wear adequate personal buoyancy at all times while racing. Neither a wetsuit nor a drysuit constitute adequate personal buoyancy. In addition wetsuits or drysuits shall be worn by all competitors while racing between 1st November and 30th April. This changes Rule 40.
- 17.4 Competitors shall at all times comply with the safety regulations which are the same as those for all sailors, are posted permanently on the club sailing notice board and are deemed to be incorporated herein.

18.0 Spare

19.0 Equipment or measurement checks

A boat or equipment may be inspected at any time for compliance with the class rules and sailing instructions. On the water, a boat can be instructed by a race committee measurer to proceed immediately to a designated area for inspection.

Prizes will be awarded as set out in the Notice of Race.

23. Responsibility and Disclaimer

- 23.1 A boat is entirely responsible for her own safety, whether afloat or ashore, and nothing, whether in the Notice of Race or Sailing Instructions or anywhere else, reduces this responsibility.
- 23.2 It is for the boat to decide whether she is fit to sail in the conditions in which she will find herself. By launching or going afloat, the boat confirms that she is fit for those conditions and her crew is competent to sail and compete in them.
- 23.3 The boat is required to hold adequate insurance and in particular to hold insurance against third party claims in the sum of at least £2,000,000.
- 23.4 Nothing done by the organisers can reduce the responsibility of the boat nor will it make the organisers responsible for any loss, damage, death or personal injury, however it may have occurred, as a result of the boat taking part in the racing. The organisers encompass everyone helping to run the race and the event, and include the organising authority, the race committee, the race officer, patrol boats and beachmasters.
- 23.5 The provision of patrol boats does not relieve the boat of her responsibilities.
- 23.6 The fact that the race committee conducts inspections of a boat does not reduce the responsibilities of the boat set out in this paragraph.
